

International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR)

July 2016

Glenair is registered by the United States Department of State Directorate of Defense Trade Controls (DDTC) to export defense articles and/or provide defense services as described in the International Traffic in Arms Regulations (ITAR) and the Arms Export Control Act.

Glenair is also in compliance with the United States Department of Commerce, Bureau of Industry and Security, Export Administration Regulations (EAR) for export of EAR components.

Glenair has implemented a compliance program for export control of technical data, technology, manufacturing processes, materials and inventory, and products designated as controlled under the ITAR or EAR.

If you have questions about ITAR and/or EAR issues, please contact your Glenair sales representative.
