Selection Guide

STANDARD & FILTERED SAV-CON® CONNECTOR SAVERS FOR MILITARY STANDARD CYLINDRICAL CONNECTOR

Glenair standard and filtered Sav-Con® Connector Savers are available in a wide range of military standard configurations including MIL-DTL-26482 Series I and II; MIL-DTL-28840; MIL-DTL-38999 Series I, II and III; MIL-DTL-83723 Series I and III, threaded and bayonet connector savers; LN 29729 (SJT); PATT 105-PATT 602; and MIL-DTL-5015. Each Glenair Sav-Con® connector saver meets the same durability requirements as the military specification series with which it mates.
